

Section: Narratives - Needs Assessment

Introduction

In accordance with the American Rescue Plan (ARP) Act and Pennsylvania Act 24 of 2021 (Act 24), the Pennsylvania Department of Education (PDE) will award approximately \$ 249,848,000 or five percent (5%) of Pennsylvania's ARP Elementary and Secondary School Education Relief (ESSER) State Reserve funds to school districts, charter schools and cyber charter schools (collectively, LEAs) = to implement evidence-based interventions that address learning loss in response to the academic, social, emotional and mental health needs of students and subgroups of students impacted by COVID-19 public health emergency that supplement school programs and activities.

Act 24 requires that LEAs, at a minimum, use the funds they are awarded under this subgrant in the following ways: .

Percentage of LEA Allocation - Required Activities

30% - To address the social, emotional and mental health needs of students

10% - To provide professional development and technical assistance to educators, school support staff, school leaders and school health professionals to address the social, emotional and mental health needs of students.

8% - To address reading remediation and improvement for students

The remaining allocation may be used by the LEA to address and/or supplement other areas of learning loss caused by the pandemic.

Act 24 also requires that, when available, existing personnel shall be utilized by school districts, charter schools and cyber charter schools to staff programs and activities established with these grant funds.

Within 90 days of receipt of these allocations, school districts, charter schools and cyber charter schools must submit a three-part plan to PDE, that outlines the proposed use of the grant money, itemized by program and activity. This plan is part of a consolidated application that includes after-school programming, summer activities, and a comprehensive plan to address learning loss. The plan shall include:

- 1) A description of each program and activity
- 2) A narrative outlining the expected benefit of each program and activity
- 3) A budget for each program and activity detailing personnel and operating costs.

Through this grant application, LEAs will meet their requirement of developing a three-part plan, including describing their planned programming, a narrative outlining the expected benefit of each program and activity, as well as an overview of how the LEA determined the areas of need to be addressed, including the use of stakeholder feedback.

PDE has developed the Accelerated Learning Toolkit, a significant cadre of resources and trainings, to support LEAs in the development of their plans. The Accelerated Learning Toolkit can be found [Link to Accelerated Learning Toolkit](#).

Needs Assessment: In this section, LEAs are asked to describe the impact of the pandemic on their

students, examine disproportionate impacts on specific student groups, and highlight the LEA's promising practices in supporting student needs since March 2020.

Indicators of Impact

1. Understanding the Impact of the COVID-19 Pandemic: Describe how the LEA has identified or will identify the extent of the impact of the COVID-19 pandemic on student learning and well-being. Specifically, what methods (i.e., collecting and analyzing data and information from focus groups, surveys, and local assessment results) were used or will be used to identify and measure impacts in four key areas: (1) Social and Emotional Learning, (2) Professional Development needs to support Social and Emotional Learning, (3) Reading Remediation and Improvement for Students, and (4) Other areas of Learning Loss?

	Method used to Understand Each Type of Impact
Social and Emotional Learning	1. Analysis of anecdotal data from counselor, SAP team, student coach (maintaining confidentiality) 2. Analysis of anecdotal data from classroom teachers 3. Analysis of discipline referrals to cross reference with anecdotal data to establish behavior patterns that may contribute to mental health/social-emotional needs
Professional Development for Social and Emotional Learning	1. Distribution of survey to understand needs 2. Analysis of discipline referrals to recognize and address patterns in particular staff members
Reading Remediation and Improvement for Students	1. Collection and analysis of benchmarking data (current and historic) 2. Analysis of progress monitoring data of students with IEPs
Other Learning Loss	1. Collection and analysis of mathematics benchmarking data (current and historic) 2. Analysis of mathematics progress monitoring data of students with IEPs 3. Teacher and staff input on mathematics deficits and interventions

Documenting Disproportionate Impacts

2. Identify the student groups in the LEA that faced particularly significant impacts from the pandemic in the areas of Social and Emotional Learning, Reading Remediation and Improvement, or any other areas of learning loss that the LEA will address with this funding source. For each, provide specific strategies that were used or will be used to identify and measure impacts.

Student Group	Area of Impact	Provide specific strategies that were used or will be used to identify and measure impacts
		- Academic study

Student Group	Area of Impact	Provide specific strategies that were used or will be used to identify and measure impacts
Children from Low-Income Families	Reading Remediation and Improvement	groups/cohorts in the afternoon while learning remotely- Reading and math intervention from special education and title 1 teachers- Small instructional groups for math and reading on ability level
Children with Disabilities	Reading Remediation and Improvement	- Academic study groups/cohorts in the afternoon while learning remotely- Reading and math intervention from special education and title 1 teachers- Small instructional groups for math and reading on ability level
Children from Low-Income Families	Social and Emotional Learning	- Afternoon cohorts while learning remotely to provide extra social interaction with peers and adults- Weekly support group for remote learning- As-needed counseling sessions with school counselor- As-needed support from student coach- Use of Restorative Practices for community-building and group engagement and interaction
Children with Disabilities	Social and Emotional Learning	- Afternoon cohorts while learning remotely to provide extra social interaction with peers and adults- Weekly support group for remote learning- As-needed counseling sessions with school counselor- As-needed

Student Group	Area of Impact	Provide specific strategies that were used or will be used to identify and measure impacts
		support from student coach- Use of Restorative Practices for community-building and group engagement and interaction- Opportunities to work with case manager

Section: Narratives - Learning Loss Program Questions

Learning Loss Program Questions: In this section, LEAs are asked to describe the activities they have designed to support accelerated learning to combat learning loss caused by the COVID-19 pandemic for their students. Please use the following link to ensure that your calculated values below are equal to the values published on PDE's website. The file contains your LEA's MINIMUM required reserves for Learning Loss to address SEL, SEL PD, and Reading Improvement. [Click to download reserve amounts.](#)

*LEA's can choose to spend MORE than the minimum required reserves for Learning Loss. Those values will be entered in the budget sections.

Section 3a – Social and Emotional Learning: As schools across the Commonwealth return to school, LEAs face increased challenges in addressing the mental health needs of their students and staff. LEAs are required to utilize **A MINIMUM of THIRTY PERCENT (30%)** of funding available through this grant application to support the Social and Emotional Learning of their students. In this section, LEAs are asked to describe the activities they have designed to address these needs. Please reference the SEL framework to assist in developing this plan.

3. Calculate 30% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Social and Emotional Learning. *(Calculation will populate when you click the Save button)*
 - *This value will be needed in the corresponding budget section.*

	Total LEA Allocation	Multiply by 30% (.30)	Minimum Allocation for SEL
Minimum 30% SEL Requirement	24,777	30%	7,433

4. Describe the data sources the LEA is using to identify social and emotional needs of students and identify areas of strength and concerns in the learning environment.

- Teacher input on special education forms for IEPs- Teacher referrals for discipline incidents- Anecdotal data from counselor, student coach, teachers- Data from the SAP team (maintaining confidentiality)- Surveys to employees and families

5. Program/Activities – Please describe the planned program activities and identify the type of activity and the number of students to be served by that activity.

Program Activity	Student Group	Type (Universal, Targeted, Intensive)	Number of Students Served
Various student clubs for social interaction	Children from Low-Income Families	Universal	230

6. How will the LEA assess the success of the SEL program? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
Attendance tracking	Daily	Improved attendance with opportunities for social interaction.
Rubrics for content mastery	Bimonthly	Improved mastery of content knowledge with opportunities for social interaction.

Section 3b – Social and Emotional Learning Professional Development: LEAs face increased challenges in addressing the mental health needs of their students and staff. LEAs are required to utilize **A MINIMUM OF TEN PERCENT (10%)** of funding available through this grant application to support professional development activities and technical assistance for educators, school support staff, school leaders and school health professionals to address the social, emotional and mental health needs of students. In this section, LEAs are asked to describe the activities they have designed to address these needs.

7. Calculate 10% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Social and Emotional Learning Professional Development. (Calculation will populate when you click the Save button)

- This value will be needed in the corresponding budget section.

	Total LEA Allocation	Multiply by 10% (.10)	Minimum Allocation for SEL PD
Minimum 10% SEL PD Requirement	24,777	10%	2,478

8. Describe the planned professional development activities and how the activity will ensure that

teachers/staff are equipped with training/support on the following:

- a. Social emotional learning and support for students that have suffered trauma during the COVID-19 pandemic;
- b. Identifying signs of possible mental health issues and providing culturally relevant support;
- c. Motivating students that have been disengaged;
- d. Mentoring students who have attendance issues before it becomes a pattern;
- e. Self-care and mindfulness strategies for teachers;
- f. Engaging and communicating effectively with parents;
- g. Working with community agencies to address non-academic needs.

Professional Development Activity	Number of Staff Involved	Type of Staff Involved (Teacher, Counselor, Support Staff, Admin, Other)	Provider – Who will present the professional development	Is the provider an internal staff member or an outside contractor?	Brief Description of the Planned Activity
a. Social emotional learning and support for students that have suffered trauma during the COVID-19 pandemic;	50	Other	TBD	External Contractor	All employees will receive training on identifying trauma-informed behaviors and implementing trauma-informed care.

9. How will the LEA assess the success of the SEL professional development? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
Survey	2x before and after training	Less discipline referrals, more referrals for SAP and counselor

Section 3c - Reading Improvement for Students:

LEA allocations in Reading improvement should be used to increase the best practice in the implementation of research-based reading instruction and acceleration. As schools are planning the most effective use for this 8% set aside for reading instruction and acceleration, they should contemplate the use of structured literacy (also known as Science of Literacy) to develop reading instruction and

remediation. Please reference the Structured Literacy framework to assist in developing this plan **LINK NEEDED**

LEAs are required to utilize **A MINIMUM of EIGHT PERCENT (8%)** of their ARP-ESSER allocation for research-based reading instruction. In this section, describe the course of action to remediate and improve reading gaps through research-based practices.

10. Calculate 8% of LEA Allocation as the **MINIMUM REQUIRED RESERVE** for Reading Improvement for Students. (Calculation will populate when you click the Save button)

- This value will be needed in the corresponding budget section.

	Total LEA Allocation	Multiply by 8% (.08)	Minimum Allocation for Reading Improvement
Minimum 8% Reading Improvement Requirement	24,777	8%	1,982

11. What local assessments were used to determine the need to address learning loss in the area of reading? For which specific groups of students was this need evidenced? What were the findings?

- Fountas & Pinnell- Classroom Diagnostics Tools (CDTs)The needs were higher in students who have deficits already due to disabilities and in students in low-income households. These students showed regression in the 20-21 school year while remote and did not have the household support to attend regularly and complete required work and assessments.

12. Does your data indicate that at-risk readers are making at least a year’s worth of growth or more in one school year? *Please consider both state PVAAS data and local assessment data

Yes

Please explain:

Prior to the pandemic, students were continuously growing in the area of reading, showing improvement in reaching new reading level in a year’s time

13. Has the LEA used structured literacy and/or provided training for K-4, ESL, and Special Education

teachers in structured literacy?

Yes

If so, please identify the training, grade level, and number of teachers involved.

Training	Grade Level / ESL / Special Education	Number of Teachers Trained
Word Study	K-6 and Special Ed and Title 1 Reading Specialist	12
Balanced Literacy	K-6 and Special Ed and Title 1 Reading Specialist	12
LETRS	K-6 and Special Ed and Title 1 Reading Specialist	12

14. Describe the evidence-based instructional intervention(s) that address the identified needs of students most disproportionately impacted.

Intervention	Student Group	Number of Students Receiving Intervention	Brief Description of Intervention
Fountas & Pinnell Intervention	Children from Low-Income Families	180	Assessment tools and strategies to observe specific reading behaviors, using the collected data to inform instruction.
Fountas & Pinnell Intervention	Children with Disabilities	50	Assessment tools and strategies to observe specific reading behaviors, using the collected data to inform instruction

15. How will the LEA assess the success of the literacy program? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
Fountas & Pinnell K-6	3x year	1-1.5 years of growth
CDTs 7-12	3x year	1-1.5 years of growth

Section 3d - Other Learning Loss Activities: LEAs are permitted to utilize the remainder of their allocation to support and/or supplement additional efforts being implemented to combat learning loss caused by the COVID-19 pandemic. Please use this section to describe those efforts.

*This value can be **UP TO 52%** of the total allocation, if minimum values were used for other reserves.

16. Calculate 52% of the remaining LEA Allocation **AS A MAXIMUM** amount to fund Other Learning Loss Activities. (Calculation will populate when you click the Save button)

	Total LEA Allocation	Multiply by 52% (.52)	Maximum Allocation for Other Learning Loss Activities
52% Other Learning Loss Activities	24,777	52%	12,884

17. Describe the evidence-based instructional intervention(s) that address the identified needs of students most disproportionately impacted.

Intervention	Student Group	Number of Students Receiving Intervention	Brief Description of Intervention
Summer learning Camp	Children from Low-Income Families	50	This camp will provide instruction and intervention supports for students, as well as provide lunch and one hour of physical activity.

18. How will the LEA assess the success of the learning loss activities? Please identify the tool, frequency of use, and expected results.

Tool Used to Evaluate Success	Frequency of Use	Expected Results
Surveys	Before implementation and after implementation	Highly satisfied with programs to offer and student progress
